MAY 2024 NEWSLETTER

FROM THE DIRECTOR

Wow, this school year has gone by quickly. It is May and time to bring the school year to an end. This is a sad time for us as we will be graduating some of our students and families and they will go on to their next school experience. We have a lot of activities going on this month and I will address them in this newsletter.

We are gearing up for the 2024-25 school year and will be sending out information this summer regarding open house and any additional information that you might need.

Again, we hope that everyone has a great summer and we will see you in the fall. For the families that will be moving on please let us know how everyone is doing and know that we are here if you every need anything.

2024-25 SCHOOL YEAR

have any questions. If you have a balance on your account please bring it up to date as we will be closing out our books in June. I will also be sending out an additional invoice for students who will be using our before and after school program in May. If you use the before and after care in May I will be sending out an additional invoice at the end of the month through Procure. There will be an additional charge of \$5.00 for the processing fee if you pay through Procure.

FROM NORTHERN KENTUCKY HEALTH DEPARTMENT SUMMER SAFETY

Kentucky law requires children who are 40 inches or shorter to be in the correct type of child safety seat. Children under one year old or who weigh 20 pounds or more should be in a rear-facing car seat. Children between 40 and 50 inches tall and younger than seven years old must use a booster seat. Booster seats help children sit higher off the vehicle seat so the adult's lap and shoulder seatbelt fits better.

DATES TO REMEMBER

Last day of school T/Th and Monday through Friday - Thursday, May 23

Last day for all MWF classes - Wednesday, May 22

I will be sending out an email to all students enrolled in the 2024-25 school year with additional information regarding the calendar and first month's payment. The first day of school is September 3 for Monday through Friday classes and T/Th classes and September 4 for the Monday/Wednesday/ Friday classes.

EXCITING NEWS FOR LAKESIDE PRESCHOOL

Through the generosity of an anonymous preschool family donor Lakeside Preschool will be installing all new flooring in each of our classrooms. This is a very exciting time for us as all of the rooms will be cleared out and getting ready for the installation the first week of June. We will be having a grand reveal of our classrooms in the Fall but in the meantime keep an eye on our Facebook page and our Website for ongoing updates and pictures. We are looking forward to presenting our new classrooms for the 2024-25 school year. We are so thankful for this gift and look forward to sharing this with our families.

MAY BLOOD DRIVE

One of our staff members suffers from extreme anemia and we are sponsoring a blood drive at Hoxworth Blood Center for the month of May in her honor. Please check our Facebook page for information on the blood drive and how to honor our staff member through this month.
