

We are ready for take off.....

Africa is the next continent on our flight schedule.

We will be going on Safari and talking about lots of animals such as giraffes, hippos, lions, gorillas, zebras, and elephants. We will see the pyramids of Egypt, too. Africa is a land of jungles, rainforests, savannahs, deserts, and beautiful waterfalls.

Some fun books to check out:

1. *Over in the Grasslands on an African Savannah* by Marianne Berkes
2. *We're Going on a Lion Hunt* by Margery Cuyler
3. *Fiona the Hippo* by Richard Cowdrey

Thanks to Mrs. Black for the recommendations of books.

Captain Hanser
